Subject Index

abdomen
  left-side inferior vena cava, inflammatory abdominal aortic aneurysm, computed tomography, 619
abdominal
  aorta, aneurysm, risk factors, mortality, 41
abdominal aorta
  fibromuscular dysplasia, aneurysm, 615
abdominal aorta aneurysm
  kidney transplantation, surgery, 522
abdominal aortic aneurysm
  ruptured, aortocaval fistula, 495
  rupture, screening, treatment, 16
  fibrillin, genetic mutations, 159
abdominal aortic hypoplasia
  renovascular hypertension, atherosclerosis, 760
abdominal pain
  Mobin-Uddin, retroperitoneal, misplaced vena caval filter, 85
aberrant subclavian artery
  right aortic arch, Kommerell's diverticulum, aneurysm, 110
abnormal pneumoplethysmographic measurements
  coronary artery bypass, 266
absorbable suture material
  polyglyconate, surgery of congenital heart defects, 101
absorbable suture
  polydioxanone, anastomosis, vascular surgery, 508
acute adrenal insufficiency
  pericardiectomy, tuberculosis, 646
acute arterial occlusion
  myonephropathic metabolic syndrome, compartment syndrome, haemodialysis, fasciotomy, 519
acute ischaemia
  sciatic artery aneurysm, distal embolic, venous femoropopliteal bypass, 271
  limb ischaemia, reperfusion, skeletal muscle, postischaemic syndrome, 737
acute myocardial infarction
  congestive heart failure, left ventricular aneurysm, postinfarction pseudoaneurysm, transoesophageal echocardiography, 4
aetiology
  arterial occlusive disease, common femoral artery, angioplasty, surgery, 498
allogeneic aortic valves
  bioprosthetic heart valves, hologram, interferometry, non-destructive testing, 693
allograft
  cryopreservation, bypass, endothelial cell, smooth muscle cell, 259
amputation
  limb revascularization, 754
anastomosis
  polydioxanone, absorbable suture, vascular surgery, 508
aneurysm
  right aortic arch, Kommerell's diverticulum, aberrant subclavian artery, 110
  aorta, abdominal, risk factors, mortality, 41
  fibromuscular dysplasia, abdominal aorta, 615
  external carotid artery, radical neck dissection, lymphatic irradiation, 607
  extracranial carotid artery, surgical reconstruction, 567
aneurysms
  elastin, collagen, connective tissue failure, 484
  renal artery, dissections, fibrodysplasia, renovascular hypertension, 767
angiographic findings
  aortocoronary bypass surgery, silent ischaemia, 398
angiography
  fistula, cardiac procedure, 23
angioplasty
  arterial occlusive disease, common femoral artery, aetiology, surgery, 498
angioscopy
  reconstructive surgery, endovascular surgery, training, 329
annular abscess
  prosthetic valve endocarditis, complex surgical procedure, 212
annuloaortic ectasia
  Bentall operation, Carrel patch, inclusion technique, 391
anterograde
  collateral circulation, retrograde, cardioplegic solution, 446
aorta
  abdominal, aneurysm, risk factors, mortality, 41
  haematemesis, traumatic, pseudoaneurysm, 781
aortic aneurysm
  Behçet's disease, surgery, 379
aortic aneurysm repair
  coronary artery bypass, 340
aortic heart valve substitute
  stentless aortic valve, unstented aortic valve, 407
aortic pseudoaneurysm
  complications of aortic surgery, computed tomography, 460
aortic rupture
  coarctation, balloon angioplasty, false aneurysm, 467
aortic valve replacement
  heart valves, mitral valve replacement, cardiac prostheses, 403
  narrow aortic root, Björk–Shiley valve, 456
aortocaval fistula
  abdominal aortic aneurysm, ruptured, 495
aortocoronary bypass
  tracheal stenosis, tracheo-oesophageal fistula, combined surgical procedure, 226
  reoperations, coronary artery, internal mammary artery graft, symptom-free interval, 623

  reoperations, coronary artery, internal mammary artery graft, symptom-free interval, 623

aortocoronary bypass surgery
silent ischaemia, angiographic findings, 398
aortofemoral bypass
aortoiliac disease, graft thrombosis, peripheral vascular disease, vascular surgery, 763
aortofemoral graft
graft sepsis, muscle flaps, sartorius muscle, rectus femoris muscle, 70
aortoiliac disease
aortofemoral bypass, graft thrombosis, peripheral vascular disease, vascular surgery, 763
appendiceal abscess
infected aortic aneurysm, 67
aprotinin efficacy
cardiovascular surgery, postoperative blood loss, autologous blood transfusions, fluid replacement, 716
arterial bypass
popliteal aneurysm, 381
arterial grafts
coronary artery bypass grafting, Japanese patients, 93
arterial occlusive disease
common femoral artery, aetiology, angioplasty, surgery, 498
arterial reconstruction
saphenous vein, vein graft, 56
endovascular surgery, 318
arteriosclerosis
autogenous vein graft, stenosis, myointimal hyperplasia, 180
renovascular hypertension, fibrodysplasia, renal revascularization, 195
arteriovenous fistula
Charles Rob, Strong Memorial Hospital, venous thrombectomy, 187
arteriovenous shunt
surgical, haemodialysis, 63
ascending aorta
ascending intra-aortic balloon, intra-aortic balloon pump, 634
ascending intra-aortic balloon
intra-aortic balloon pump, ascending aorta, 634
atherosclerosis
coronary artery surgery, carotid endarterectomy, vascular surgery, 686
abdominal aortic hypoplasia, renovascular hypertension, 760
atherosclerotic lesions
carotid endarterectomy, plaque morphology, ultrasonography, magnetic resonance imaging, 154
atrial fibrillation
revascularization, coronary artery surgery, 387
atrial septum
papillary fibroelastoma, transesophageal echocardiography, coronary artery surgery, 423
attitude to risk
carotid stenosis, quality of life, 582
autogenous vein graft
stenosis, arteriosclerosis, myointimal hyperplasia, 180
autologous blood transfusions
cardiovascular surgery, postoperative blood loss, aprotinin efficacy, fluid replacement, 716
autologous fibrin glue
vascular prostheses, graft porosity, transmission, 45
autologous pericardial graft
biograft, expanded polytetrafluoroethyelene graft, patch graft, reconstruction of the inferior vena cava, 592
autonomic nerves
reflex sympathetic dystrophy, causalgia, hyperhidrosis, 9

balloon angioplasty
coarctation, aortic rupture, false aneurysm, 467
Behçet's disease
aortic aneurysm, surgery, 379
Bentall operation
annuloaortic ectasia, Carrel patch, inclusion technique, 391
biograft
autologous pericardial graft, expanded polytetrafluoroethyelene graft, patch graft, reconstruction of the inferior vena cava, 592
bioprosthetic heart valves
allogenic aortic valves, hologram interferometry, non-destructive testing, 693
Björk–Shiley valve
narrow aortic root, aortic valve replacement, 456
blunt abdominal trauma
mesenteric artery injury, 778
brachial plexus
thoracic outlet compression syndrome, scalene muscle, cervical rib resection, 137
bypass
cryopreservation, allograft, endothelial cell, smooth muscle cell, 259

carbon monoxide
carboxyhaemoglobin, thiocyanate, smoking, peripheral vascular disease, 48
carboxyhaemoglobin
carbon monoxide, thiocyanate, smoking, peripheral vascular disease, 48
carcinoma
coronary artery bypass, colon interposition, oesophagus, 415
cardiac echinococcosis
mitral valve replacement, hydatid cyst, magnetic resonance imaging, 114
cardiac procedure
fistula, angiography, 23
cardiac prostheses
heart valves, mitral valve replacement, aortic valve replacement, 403
cardiac surgery
dialysis patients, hospital mortality, long-term results, 97
cardiogenic shock
ventricular assist device, centrifugal pump, 630
cardioplegic solution
collateral circulation, anterograde, retrograde, 446
cardiovascular
mucormycosis, sternum, wound, postoperative, 474
cardiovascular surgery
postoperative blood loss, aprotinin efficacy, autologous blood transfusions, fluid replacement, 716
cartotid arteries
endarterectomy, restenosis, late evaluation, follow-up, 555

carotid artery disease
extracranial vascular disease, carotid artery reconstructive surgery, 586
carotid artery reconstructive surgery
extracranial vascular disease, carotid artery disease, 586
carotid endarterectomy
internal carotid artery, middle cerebral artery, Doppler ultrasonography, 37
atherosclerotic lesions, plaque morphology, ultrasonography, magnetic resonance imaging, 154
stroke, history, 164
patch angioplasty, cerebrovascular disease, 573
non-hemispheric symptoms, 561
atherosclerosis, coronary artery surgery, vascular surgery, 686
carotid stenosis
quality of life, attitude to risk, 582
carotid surgery
clinical trials, endarterectomy, 170
Carrel patch
annuloaortic ectasia, Bentall operation, inclusion technique, 391
causalgia
reflex sympathetic dystrophy, autonomic nerves, hyperhidrosis, 9
centrifugal pump
ventricular assist device, cardiogenic shock, 630
cerebral reserve
transcranial Doppler, single photoemission computed tomography, somatosensitive evoked potentials, 32
cerebrovascular accident
dissecting aneurysm, segmental mediolytic arteriopathy, mucoid degeneration of the arterial media, 350
cerebrovascular disease
carotid endarterectomy, patch angioplasty, 573
cervical rib resection
thoracic outlet compression syndrome, scalene muscle, brachial plexus, 137
Charles Rob
Strong Memorial Hospital, venous thrombectomy, arteriovenous fistula, 187
chronic venous insufficiency
varicose veins, venous surgery, 772
clinical trials
carotid surgery, endarterectomy, 170
coarctation
balloon angioplasty, aortic rupture, false aneurysm, 467
collagen
aneurysms, elastin, connective tissue failure, 484
collagen-coating
Dacron grafts, polymer-coating, heparin-bonded, healing, 242
collateral circulation
anterograde, retrograde, cardioplegic solution, 446
colloid-osmotic pressure
reperfusion injury, osmotic pressure, skeletal muscle, 725
colon interposition
coronary artery bypass, carcinoma, oesophagus, 415
colon ischaemia
isolated iliac artery aneurysm, endoaneurysmorrhaphy, perianeurysmal fibrosis, hydronephrosis, 489

combined surgical procedure
aortocoronary bypass, tracheal stenosis, tracheo-oesophageal fistula, 226
common femoral artery
arterial occlusive disease, aetiology, angioplasty, surgery, 498
comparison
mortality, cost, competition, future considerations, 324
compartment syndrome
acute arterial occlusion, myonephropathic metabolic syndrome, haemodialysis, fasciotomy, 519
competition
mortality, cost, comparison, future considerations, 324
complex surgical procedure
prosthetic valve endocarditis, annular abscess, 212
complications
vascular surgery, internal carotid artery, occlusion, shunt, 26
complications of aortic surgery
aortic pseudoaneurysm, computed tomography, 460
computed tomography
aortic pseudoaneurysm, complications of aortic surgery, 460
left-side inferior vena cava, inflammatory abdominal aortic aneurysm, abdomen, 619
congestive heart failure
acute myocardial infarction, left ventricular aneurysm, postinfarction pseudoaneurysm, transoesophageal echocardiography, 4
connective tissue failure
aneurysms, elastin, collagen, 484
constriction mediastinitis
heart transplantation, pericardial effusion, 395
constrictive
pericarditis, pericardiectomy, pericardial window techniques, surgery, 711
coronary angiography
coronary artery bypass grafting, left internal mammary artery graft, Doppler method, supraclavicular approach, 207
coronary artery
aortocoronary bypass, reoperations, internal mammary artery graft, symptom-free interval, 623
coronary artery bypass
colon interposition, carcinoma, oesophagus, 415
aortic aneurysm repair, 340
abnormal pneumoplethysmographic measurements, 266
graft patency, internal mammary artery, risk factors, 679
coronary artery bypass grafting
arterial grafts, Japanese patients, 93
left internal mammary artery graft, Doppler method, supraclavicular approach, coronary angiography, 207
coronary artery bypass grafting complication
vein harvest ischaemia, 478
coronary artery bypass surgery
thermal coronary angiography, thermography, internal mammary artery, 703
coronary artery disease
myocardial revascularization, left ventricular dysfunction, myocardial protection, 88
coronary artery fistula
surgical treatment, ventricular arrhythmia, 720
coronary artery grafting
ventricular rupture, fatty infiltration, 723
coronary artery surgery
atrial fibrillation, revascularization, 387
papillary fibroelastoma, tranoesophageal echocardiography, atrial septum, 423
atherosclerosis, carotid endarterectomy, vascular surgery, 686
cost
mortality, competition, comparision, future considerations, 324
cross-circulation bubble oxygenator
open-heart surgery, extracorporeal circulation, electrical pacing, 308
cryopreservation
allograft, bypass, endothelial cell, smooth muscle cell, 259

Dacron grafts
collagen-coating, polymer-coating, heparin-bonded, healing, 242
dialysis patients
cardiac surgery, hospital mortality, long-term results, 97
dissecting aneurysm
cerebrovascular accident, segmental mediolytic arteriography, mucoid degeneration of the arterial media, 350
dissections
renal artery, aneurysms, fibrodysplasia, renovascular hypertension, 767
distal embolic
acute ischaemia, sciatic artery aneurysm, venous femoropopliteal bypass, 271
Doppler echocardiography
pulmonary artery banding, mitral valve flow velocity, 384
Doppler method
coronary artery bypass grafting, left internal mammary artery graft, supraclavicular approach, coronary angiography, 207
Doppler ultrasonography
internal carotid artery, middle cerebral artery, carotid endarterectomy, 37
duplex ultrasonography
recurrent varicose veins, 775

elastase
vascular surgery, neutrophils, reperfusion injury, 749
elastin
aneurysms, collagen, connective tissue failure, 484
electrical pacing
open-heart surgery, extracorporeal circulation, cross-circulation bubble oxygenator, 308
embolization
vertebral arteriovenous fistulas, surgery of the vertebral artery, 359
endarterectomy
carotid surgery, clinical trials, 170
carotid arteries, restenosis, late evaluation, follow-up, 555
endoaneurysmorrhaphy
isolated iliac artery aneurysm, perianeurysmal fibrosis, hydronephrosis, colon ischaemia, 489
endoscopy
ultrasonography, stenosis, occlusion, management, 319
endothelial cell
cryopreservation, allograft, bypass, smooth muscle cell, 259
endothelial cell seeding
graft endothelialization, endothelium, 543
endothelium
endothelial cell seeding, graft endothelialization, 543
endovascular surgery
arterial reconstruction, 318
reconstructive surgery, angioscopy, training, 329
iliac obstruction, iliofemoral bypass, iliofemoral endarterectomy, extra-anatomic femorofemoral, 370
esophagus
coronary artery bypass, colon interposition, carcinoma, 415
expanded polytetrafluoroethyelene graft
autologous pericardial graft, biograft, patch graft, reconstruction of the inferior vena cava, 592
external carotid artery
radical neck dissection, lymphatic irradiation, aneurysm, 607
extra-anatomic femorofemoral
iliac obstruction, iliofemoral bypass, iliofemoral endarterectomy, endovascular surgery, 370
extracorporeal circulation
open-heart surgery, cross-circulation bubble oxygenator, electrical pacing, 308
extracranial carotid artery
aneurysm, surgical reconstruction, 567
extracranial vascular disease
carotid artery disease, carotid artery reconstructive surgery, 586

false aneursym
coarctation, balloon angioplasty, aortic rupture, 467
fasciotomy
acute arterial occlusion, myonephropathic metabolic syndrome, compartment syndrome, haemodialysis, 519
fatty infiltration
ventricular rupture, coronary artery grafting, 723
fibrillin
abdominal aortic aneurysm, genetic mutations, 159
fibrodysplasia
renal artery, aneurysms, dissections, renovascular hypertension, 767
renovascular hypertension, arteriosclerosis, renal revascularization, 195
fibrointimal hyperplasia
fluoropolymer passivated Dacron vascular graft, graft patency, 237
fibrolipoma
septal hypertrophy, lipoma, 229
fibromuscular dysplasia
abdominal aorta, aneurysm, 615
fistula
cardiac procedure, angiography, 23
fluid replacement
cardiovacular surgery, postoperative blood loss, aprotinin efficacy, autologous blood transfusions, 716
fluoropolymer passivated Dacron vascular graft
graft patency, fibrointimal hyperplasia, 237
follow-up
percutaneous transluminal angioplasty, treadmill exercise testing, 503
carotid arteries, endarterectomy, restenosis, late evaluation, 555

fungal endocarditis
prosthetic valve endocarditis, *Trichosporon beigelii*, 119
future considerations
mortality, cost, competition, comparison, 324

genetic mutations
abdominal aortic aneurysm, fibrillin, 159
global haemodynamics
phosphodiesterase inhibitor R80122, liver, hepatic blood flow, liver vein catheter, 698
graft
sternal blood supply, internal mammary artery, 203
graft endothelialization
endothelial cell seeding, endothelium, 543
graft patency
fluoropolymer passivated Dacron vascular graft, fibrointimal hyperplasia, 237
coronary artery bypass, internal mammary artery, risk factors, 679
graft porosity
autologous fibrin glue, vascular prostheses, transmission, 45
graft sepsis
aortofemoral graft, muscle flaps, sartorius muscle, rectus femoris muscle, 70
graft thrombosis
aortoiliac disease, aortofemoral bypass, peripheral vacular disease, vascular surgery, 763
Greenfield filter
trauma, 52

haematemesis
traumatic, pseudoaneurysm, aorta, 781
haemodialysis
acute arterial occlusion, myonephropathic metabolic syndrome, compartment syndrome, fasciotomy, 519
arteriovenous shunt, surgical, 63
healing
Dacron grafts, collagen-coating, polymer-coating, heparin-bonded, 242
heart transplantation
pericardial effusion, constriction mediastinitis, 395
heart valve diseases
surgery, heart valve prosthesis, reoperation mortality, risk factors, 216
heart valve prosthesis
heart valve diseases, surgery, reoperation mortality, risk factors, 216
heart valves
mitral valve replacement, aortic valve replacement, cardiac prostheses, 403
heparin-bonded
Dacron grafts, collagen-coating, polymer-coating, healing, 242
hepatic blood flow
phosphodiesterase inhibitor R80122, global haemodynamics, liver, liver vein catheter, 698
history
stroke, carotid endarterectomy, 164
holographic
prosthetic heart valves, non-destructive testing, interferometry, 104
hologram interferometry
bioprosthetic heart valves, allogenic aortic valves, non-destructive testing, 693

hospital mortality
dialysis patients, cardiac surgery, long-term results, 97
hydatid cyst
cardiac echinococcosis, mitral valve replacement, magnetic resonance imaging, 114
hydronephrosis
isolated iliac artery aneurysm, endoaneurysmorrhaphy, perianeurysmal fibrosis, colon ischaemia, 489
hyperhidrosis
reflex sympathetic dystrophy, causalgia, autonomic nerves, 9
hypothermia
spinal cord protection, one-shot infusion, 374

iliac obstruction
iliofemoral bypass, iliofemoral endarterectomy, extra-anatomic femorofemoral, endovascular surgery, 370
iliofemoral bypass
iliac obstruction, iliofemoral endarterectomy, extra-anatomic femorofemoral, endovascular surgery, 370
iliofemoral endarterectomy
iliac obstruction, iliofemoral bypass, extra-anatomic femorofemoral, endovascular surgery, 370
in situ reconstruction
infected abdominal aortic aneurysm, omental transposition, 78
in situ vein bypass
instrumentation, valvulotomy, 146
inclusion technique
annuloaortic ectasia, Bentall operation, Carrel patch, 391
infected abdominal aortic aneurysm
in situ reconstruction, omental transposition, 78
infected aortic aneurysm
appendiceal abscess, 67
infection
vascular graft, rifampicin, 254
infective endocarditis
ventricular septal defect, ruptured sinus of Valsalva, 470
inflammatory abdominal aortic aneurysm
left-side inferior vena cava, computed tomography, abdomen, 619
infrageniculate
secondary arterial bypass, polytetrafluoroethylene, 249
injury response
intimal hyperplasia, restenosis, smooth muscle cells, pharmacological control, 301
instrumentation
in situ vein bypass, valvulotomy, 146
interferometry
prosthetic heart valves, non-destructive testing, holographic, 104
internal carotid artery
vascular surgery, occlusion, complications, shunt, 26
middle cerebral artery, Doppler ultrasonography, carotid endarterectomy, 37
internal mammary artery
coronary artery bypass, graft patency, risk factors, 679
myocardial revascularization, left main coronary artery, patch angioplasty, 223
sternal blood supply, graft, 203
thermal coronary angiography, thermography, coronary artery bypass surgery, 703
internal mammary artery graft
aortocoronary bypass, reoperations, coronary artery, symptom-free interval, 623
interventional procedures
transluminal angioplasty, training, multidisciplinary teams, quality assurance, 327
intimal hyperplasia
restenosis, injury response, smooth muscle cells, pharmacological control, 301
intra-aortic balloon pump
ascending intra-aortic balloon, ascending aorta, 634
ischaemia
visceral obstruction, visceral artery, 176
isolated iliac artery aneurysm
endoaneurysmorrhaphy, perianeurysmal fibrosis, hydronephrosis, colon ischaemia, 489

Japanese patients
arterial grafts, coronary artery bypass grafting, 93

Kawasaki's disease
myxoma, tricuspid valve, 418
kidney transplantation
abdominal aorta aneurysm, surgery, 522
Kommerell's diverticulum
right aortic arch, aberrant subclavian artery, aneurysm, 110

late evaluation
carotid arteries, endarterectomy, restenosis, follow-up, 555
left atrial tumours
myxoma, recurrent myxoma, 232
left internal mammary artery graft
coronary artery bypass grafting, Doppler method, supraclavicular approach, coronary angiography, 207
left main coronary artery
myocardial revascularization, patch angioplasty, internal mammary artery, 223
left ventricular aneurysm
acute myocardial infarction, congestive heart failure, postinfarction pseudoaneurysm, transoesophageal echocardiography, 4
left ventricular dysfunction
myocardial revascularization, coronary artery disease, myocardial protection, 88
left-side inferior vena cava
inflammatory abdominal aortic aneurysm, computed tomography, abdomen, 619
limb ischaemia
reperfusion, skeletal muscle, acute ischaemia, postischaemic syndrome, 737
limb revascularization
amputation, 754
lipoma
septal hypertrophy, fibrolipoma, 229
liver
phosphodiesterase inhibitor R80122, global haemodynamics, hepatic blood flow, liver vein catheter, 698
liver vein catheter
phosphodiesterase inhibitor R80122, global haemodynamics, liver, hepatic blood flow, 698

long-term results
dialysis patients, cardiac surgery, hospital mortality, 97
lung cancer
superior vena cava syndrome, superior vena cava obstruction, surgical reconstruction, mediastinal tumour, 598
lymphatic irradiation
external carotid artery, radical neck dissection, aneurysm, 607

magnetic resonance imaging
cardiac echinococcosis, mitral valve replacement, hydatid cyst, 114
subclavian artery aneurysm, 612
carotid endarterectomy, atherosclerotic lesions, plaque morphology, ultrasonography, 154
management
endoscopy, ultrasonography, stenosis, occlusion, 319
mediastinal tumour
superior vena cava syndrome, superior vena cava obstruction, surgical reconstruction, lung cancer, 598
mesenteric artery injury
blunt abdominal trauma, 778
middle cerebral artery
internal carotid artery, Doppler ultrasonography, carotid endarterectomy, 37
misplaced vena caval filter
Mobin-Uddin, retroperitoneal, abdominal pain, 85
mitral valve flow velocity
pulmonary artery banding, Doppler echocardiography, 384
mitral valve replacement
cardiac echinococcosis, hydatid cyst, magnetic resonance imaging, 114
heart valves, aortic valve replacement, cardiac prostheses, 403
Mobin–Uddin
retroperitoneal, misplaced vena caval filter, abdominal pain, 85
mortality
aorta, abdominal, aneurysm, risk factors, 41
cost, competition, comparison, future considerations, 324
mucoid degeneration of the arterial media
cerebrovascular accident, dissecting aneurysm, segmental mediolytic arteriopathy, 350
mucormycosis
sternum, cardiovascular, wound, postoperative, 474
multidisciplinary teams
interventional procedures, transluminal angioplasty, training, quality assurance, 327
muscle flaps
graft sepsis, aortofemoral graft, sartorius muscle, rectus femoris muscle, 70
myocardial protection
myocardial revascularization, left ventricular dysfunction, coronary artery disease, 88
myocardial revascularization
left ventricular dysfunction, coronary artery disease, myocardial protection, 88
left main coronary artery, patch angioplasty, internal mammary artery, 223
myointimal hyperplasia
autogenous vein graft, stenosis, arteriosclerosis, 180

myonephropathic metabolic syndrome
acute arterial occlusion, compartment syndrome, haemodialysis, fasciotomy, 519
myosin
troponin T, perioperative myocardial infarction, 441
myxoma
tricuspid valve, Kawasaki's disease, 418
recurrent myxoma, left atrial tumours, 232

narrow arotic root
Björk–Shiley valve, arotic valve replacement, 456
neutrophils
vascular surgery, elastase, reperfusion injury, 749
non-destructive testing
prosthetic heart valves, holographic, interferometry, 104
bioprosthetic heart valves, allogeneic aortic valves, hologram interferometry, 693
non-hemispheric symptoms
carotid endarterectomy, 561

occlusion
vascular surgery, internal carotid artery, complications, shunt, 26
endoscopy, ultrasonography, stenosis, management, 319
omental transposition
infected abdominal aortic aneursym, *in situ* reconstruction, 78
one-shot infusion
spinal cord protection, hypothermia, 374
open-heart surgery
extracorporeal circulation, cross-circulation bubble oxygenator, electrical pacing, 308
osmotic pressure
reperfusion injury, colloid-osmotic pressure, skeletal muscle, 725

papillary fibroelastoma
